

THE SITUATION

- 30, 60, and 90 day payment terms tie up cash flow
- Payment delays increase Administration costs
- Valuable resources wasted on accounts receivable instead of working on moving your business forward

THE IDEA

- Save time and put your money back in your pocket where it belongs

HOW IT WORKS

• **QUICK PAY SOLUTIONS**

- You determine how fast you get paid based off **YOUR** business needs; 7, 10, or 15 days fast
 - You decide what works best for your business
 - Big Freight helps make it happen

BENEFITS

- Increased Cash Flow
- No wasted Administration time
- Your money, in your Pocket where it belongs

NEXT STEPS

- Complete the next page and speak with your Big Freight Representative to take control of your account receivables
- Sign up for Direct Deposit to save even more time

Quick Pay Solutions

Our standard payment terms are Net 30 from the day we receive signed delivery documents.

We now offer a **Quick Pay** Solution with the below options:

Option 1 – Payment in 7 days from date delivery documents received. Cost 5% of invoice

Option 2 – Payment in 10 days from date delivery documents received. Cost 3% of invoice

Option 3 – Payment in 15 days from date delivery documents received. Cost 1.50% of invoice

Note: Quick pay is NOT AVAILABLE to Transport companies (Carriers) using factoring companies.

Semi-annually Big Freight Systems Inc. will review your performance. Should you have service failures your Quick Pay option may be terminated.
